

Create a Child Organization

A quick guide to adding a subsidiary or office under your organization in BuildVision.

1

Open Settings

Click the **settings wheel** (gear icon) in the **bottom-left corner** of the page.

2

Go to the Company tab

In the Settings menu, click the **Company** tab to view Offices & Subsidiaries.

3

Add a subsidiary

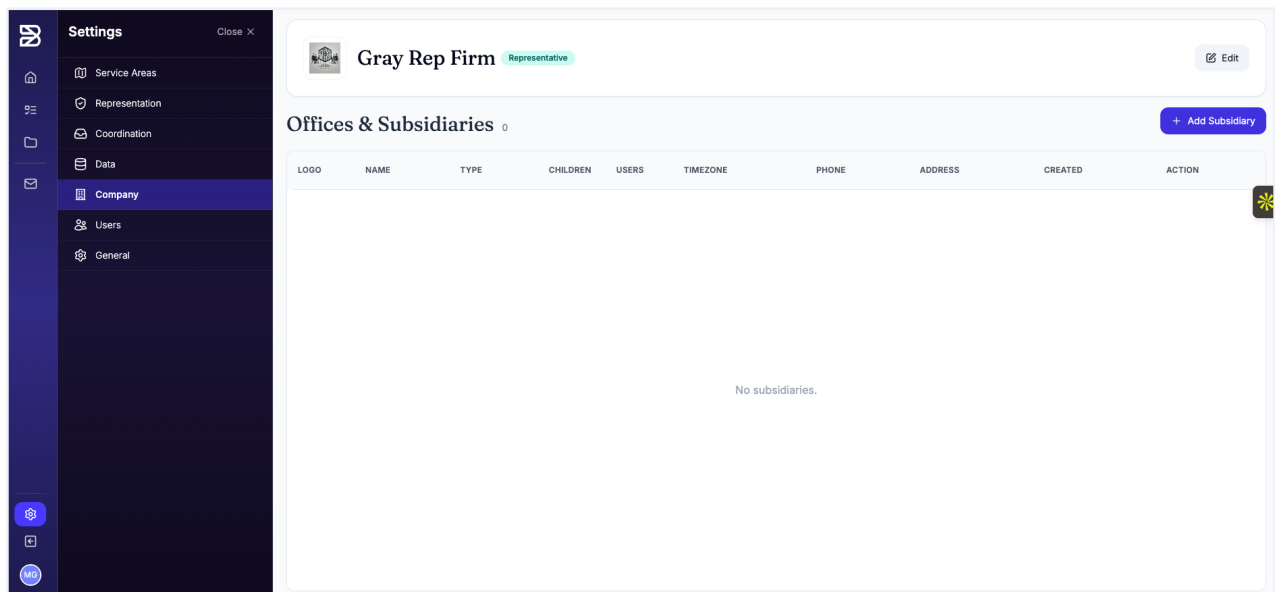

Click the **+ Add Subsidiary** button in the top-right corner.

4

Fill in the details and create

In the **New Organization** dialog, enter the **Name** and **Organization Type** (required), then add an optional logo, timezone, and email. Click **Create** to add the child organization.

Tip: Fields marked with a red asterisk (*) are required. The new organization will appear in the Offices & Subsidiaries table once created.

Steps 1–3: The Company tab showing Offices & Subsidiaries with the Add Subsidiary button.
