

Apply Organization Settings & Account Type

A quick guide to setting your organization's account type by choosing the equipment system your company handles.

1

Open Settings

Click the **settings wheel** (gear icon) in the **bottom-left corner** of the page.

2

Go to the General tab

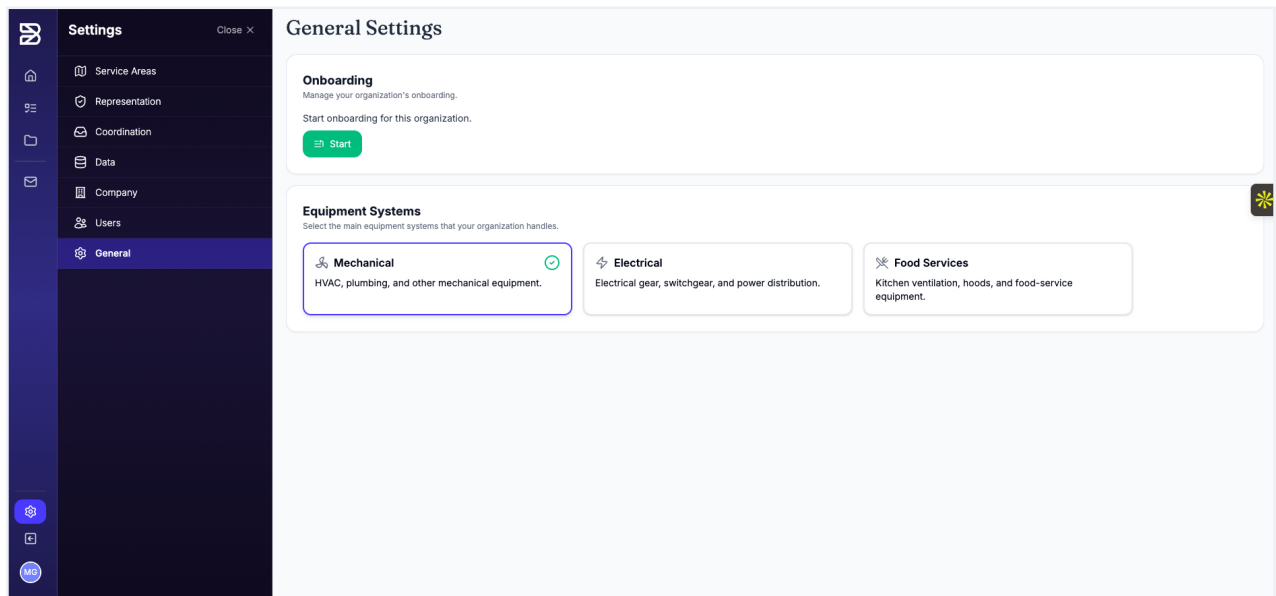

In the Settings menu, click the **General** tab.

3

Choose your account type

Under **Equipment Systems**, select the equipment system your company handles (**Mechanical**, **Electrical**, or **Food Services**). This becomes your account type.

Tip: The selected card shows a green check mark to confirm your choice has been applied.

Reference: General Settings screen with the Mechanical equipment system selected as the account type.
